Bethlehem, 30/6/26

Dear priests and parishioners of Saint Peter Church in Eindhoven:

I want to express my gratitude for the Lenten collection (8.388,90 euro) that you sent to us, thank you for your generosity.

We have 41 children and they are all doing very well, already enjoying their summer vacation. On June 14th, we celebrated our 21st anniversary, it was a simple party with very fun games, cake, and one of the children's favorite meals: barbecue.

On Thursday the 25th, we wrapped up the school year at our school, "House of angels", with a very lovely party. The children had prepared dances, accompanied a song with instruments, and also acted out a story with a moral: not to think badly of others.

We were also able to see everything they did during the year in an exhibition prepared by the teachers, so that the children's families, friends, and volunteers could see their effort and achievements.

Now we are having more relaxing days, with visits to the swimming pool and a summer camp we are going to do in Jericho.

Once again, we express our gratitude for your support, and we hope that someday you will have the opportunity to visit the Holy Land and spend some time at our home.

We keep you in our prayers.
